Forward-looking Statements

Certain statements in this release are forward-looking statements, which reflect the expectations of management regarding the Company's future operations. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such statements are subject to risks and uncertainties that may cause actual results,

performance or developments to differ materially from those contained in the statements. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. These forward-looking statements reflect management's current views and are based on certain expectations, estimates and assumptions which may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, including: (1) a continued downturn in general economic conditions in North America and internationally, (2) the inherent uncertainties associated with the demand for biofuels, (3) the risk that the Company does not execute its business plan, (4) inability to finance operations and growth (5) inability to finance the start-up operations in Nova Scotia in a timely manner (6) inability to retain key management and employees, (7) an increase in the number of competitors with larger resources, and (8) other factors beyond the Company's control. These forward-looking statements are made as of the date of this news release and the Company intends to update such forward looking information in the Company's MD&A in the event that actual results differ materially from such forward-looking statements contained herein. Additional information about these and other assumptions, risks and uncertainties are set out in the "Risks and Uncertainties" section in the Company's MD&A filed with Canadian securities regulators.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
