

Viridis Energy Invited to Present at the 2014 LDMicro Invitational in Los Angeles

Vancouver, BC – May 6, 2014 – Viridis Energy Inc. ("Viridis" or the "Company") (TSXV: VRD) (OTC: VRDSF), a "Cleantech" manufacturer and distributor of renewable energy providing waste biomass fuel to global residential and industrial markets, today announced that it has been invited to present at the upcoming 2014 Fourth Annual **LDMICRO** Invitational on Wednesday, June 4, 2014, at 8:00 a.m. (PT) at the Luxe Sunset Boulevard Hotel, Los Angeles, California. Viridis will be available during the day for one-on-one meetings.

Ms. Michele Rebiere, chief financial officer, will present an overview of the Company's business and growth strategy. The presentation will be webcast live and accessible at <http://wsw.com/webcast/ldmicro6/vrd.v/> or via the investor relations section of the Company's website at www.viridisenergy.ca and will be available for post view for 90 days following the live presentation.

"We are honored to have Viridis Energy present at our 4th annual Invitational." stated Chris Lahiji, President of LD Micro. "The Invitational has steadily grown each year since its inception in 2010. This year the LD Micro will be hosting 84 micro-cap growth companies presenting throughout the day and is expecting over 500 people to attend the event."

About Viridis Energy Inc.

Viridis Energy Inc. (TSXV: VRD) is a publicly traded, "Cleantech" alternative energy company specializing in the agricultural and wood waste biomass. Located in Vancouver, B.C., Viridis Energy operates Viridis Merchants Inc., Okanagan Pellet Company and Scotia Atlantic Biomass, thus providing the company with vertical integration for distribution and manufacturing as well as coast to coast national presence. For more information on Viridis Energy Inc. please refer to the company website at www.viridisenergy.ca.

About LD MICRO

LD MICRO is a by-invitation only newsletter firm that focuses on finding undervalued companies in the micro-cap space. Since 2002, the firm has published an annual list of recommended stocks as well as comprehensive reports on select companies throughout the year. LD MICRO concentrates on finding,

researching, and investing in companies that are overlooked by institutional investors. It is a non-registered investment advisor. For more information on the list of presenting companies or to register for the event, please visit <http://www.ldmicro.com> or call (408) 457-1042.

Forward-looking Statements

Certain statements in this release are forward-looking statements, which reflect the expectations of management regarding the Company's future operations. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such statements are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. These forward-looking statements reflect management's current views and are based on certain expectations, estimates and assumptions which may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, including: (1) a continued downturn in general economic conditions in North America and internationally, (2) the inherent uncertainties associated with the demand for biofuels, (3) the risk that the Company does not execute its business plan, (4) inability to finance operations and growth (5) inability to finance the start-up operations in Nova Scotia in a timely manner (6) inability to retain key management and employees, (7) an increase in the number of competitors with larger resources, and (8) other factors beyond the Company's control. These forward-looking statements are made as of the date of this news release and the Company intends to update such forward looking information in the Company's MD&A in the event that actual results differ materially from such forward-looking statements contained herein. Additional information about these and other assumptions, risks and uncertainties are set out in the "Risks and Uncertainties" section in the Company's MD&A filed with Canadian securities regulators.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
